

SUICIDE PREVENTION STRATEGIES FOR COMMUNITY MEMBERS

Webinar Description

This four-part training course, community members from a variety of settings will increase attendees' competence, confidence and comfort managing suicidal patients and working together to reduce suicide. Attendees will learn strategies especially pertinent to supporting clients, neighbors, and friends who may be at risk.

Webinar Instructor

Dr. Kent A. Corso is a licensed clinical psychologist and board-certified behavior analyst. His experience in suicide prevention began almost two decades ago, while serving as an officer in the U.S. Air Force. Since then, Dr. Corso has researched, developed and trained others to implement evidence-based methods of suicide prevention and intervention nationally and internationally. He has published numerous peer-reviewed research papers and with his expertise in behavior analysis, is a leading expert in novel scientific methods and digital technologies for analyzing variables and patterns associated with suicide.
